Signs and notes – General remarks

Dynamics - Dynamik

sf – *espressivo* accent (relative dynamics)
im Ausdruck hervorzuheben (relative Dynamik)

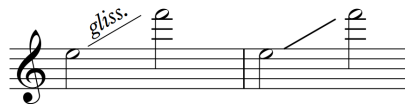

sfz – strong dynamic accent (absolute dynamics, to be differentiated from **sf**)
scharfer dynamischer Akzent (absolute Dynamik, zu unterscheiden von sf)

Hairpins without explicit dynamic at the end mainly serve the purpose of showing the phrasing and articulation. The actual dynamic has to be changed only slightly.

Cresc./Dim.-Gabeln ohne Angabe der End- oder Anfangslautstärke dienen der Phrasierung. Sie bedeuten nur eine leichte Abschwächung oder Verstärkung der Dynamik.

Glissandi – Portamenti

continuous glissando for the duration of first note – *kontinuierliches glissando*:

bending (winds)/accelerated portamento (strings)– *bending (Ansatzveränderung)/beschleunigendes portamento (Str.)*:

Brass – Blechbläser

con sord. – regular mute (straight or regular French horn mute) – *üblicher Dämpfer (straight bzw. ord. Horn Dämpfer)*
